

Texas Division of Emergency Management State Situation Report

New Information Is In Blue

Event Name	20-0012 Hurricane Hanna (EM-3530)
Date	July 29, 2020
Time	0900
Operational Period	July 28 to July 29, 2020
Report Number	6

Regions Affected	
DPS Regions Affected	3
DDCs Active	DDC's 20 & 21

STATEWIDE CURRENT SITUATION: Jurisdictions began to transition to recovery from Hurricane Hanna. Heavy rain continued in South Texas and Rio Grande Valley Tuesday evening and Wednesday morning. Scattered showers and thunderstorms will remain the threat across Deep South Texas and the Rio Grande Valley Tuesday night due to a disturbance overhead in the middle layers of the atmosphere. Mild temperatures are also anticipated.

On July 28, Governor Greg Abbott visited Corpus Christi to meet with local officials and survey storm damage left by Hurricane Hanna over the weekend. The Governor thanked officials for their leadership during these difficult times and reaffirmed the Lone Star State's commitment to helping the victims of Hurricane Hanna. Governor Abbott was joined by Texas Division of Emergency Management (TDEM) Chief Nim Kidd.

Home and business owners who faced damage as a result of Hurricane Hanna are encouraged to submit a [damage survey](#), which will allow TDEM to request more resources and volunteers into the area to help.

Governor Abbott has waived certain regulations related to commercial trucking in the state of Texas. These suspensions will allow commercial drivers to more quickly deliver supplies, specifically electric power poles, to communities in the Rio Grande Valley and the Coastal Bend that were directly impacted by Hurricane Hanna.

On July 26, Governor Abbott announced that the Federal Emergency Management Agency (FEMA) and President Trump have granted a Federal Emergency Declaration (EM-3530) request for Public Assistance Category B (Emergency Protective Measures). Specifically, FEMA is authorized to provide emergency protective measures (Category B), limited to direct Federal

assistance and reimbursement for mass care including evacuation and shelter support at 75 percent federal funding.

On July 25, Governor Abbott held a press conference at the Alternate State Operations Center in Austin where he provided an update on the state's response to Hurricane Hanna.

The Governor issued the disaster declaration for Aransas, Bee, Bexar, Brazoria, Brooks, Calhoun, Cameron, Dimmit, Duval, Fort Bend, Galveston, Goliad, Harris, Hidalgo, Jackson, Jim Hogg, Jim Wells, Kenedy, Kleberg, La Salle, Live Oak, Matagorda, McMullen, Nueces, Refugio, San Patricio, Starr, Victoria, Webb, Wharton, Willacy, and Zapata counties. The declaration provides the Governor, the ability to waive statutes or administrative rules that may hinder the response or recovery, as well as the ability to ask for federal assistance in response to Hurricane Hanna.

For more flood safety tips, [visit ready.gov](https://ready.gov).

[View the Governor's Disaster Declaration](#)

[View the Federal Emergency Declaration Request](#)

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

Region 3 (Includes DDCs 19, 20, 21, and 24)

DDC 20 – Corpus Christi (Includes: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, Nueces, Refugio and San Patricio Counties)

Initial damage assessment of Kleberg and Nueces counties showed the areas of concern to be Baffin Bay, Loyola Beach, Ricardo, and Riviera. These areas had minimal localized damage.

Aransas, Kenedy, Kleberg, Nueces and San Patricio Counties have reported erosion and damage to coastal roads, piers, docks and pilings and tee heads due to storm surge. Counties and cities are beginning damage assessments and debris removal.

Brooks County: EMC reported that the community of Encino was the hardest hit.

Nueces County: Nueces County and the City of Corpus Christi will continue to temporarily restrict vehicular access to Bay and Gulf Beaches within Nueces County through Saturday, August 1, 2020, at 6:00 AM

Port of Corpus Christi: The Port of Corpus Christ is open with some draft restrictions.

DDC 21 – Weslaco (Includes: Cameron, Hidalgo, and Willacy Counties)

Tropical moisture continues to remain over the area with chances of rain decreasing as the week goes on. De-watering operations are being conducted in the region. Damage assessments are ongoing, TMD & TX-TF1 continue to remain in the region to assist as needed. A RSA for pumps has been set up and is being managed by TFS.

Cameron County: Water continues to rise in the Cities of Santa Rosa, La Feria, Rio Hondo, North Harlingen and Los Fresnos. De-watering operations in the above areas have begun and are proceeding as normal. International Boundary Water Commission floodways are inundated throughout the Rio Grande Valley. Roads are still closed throughout the region. State pumps will supplement the de-watering operations. 3 State pumps were en-route on Tuesday.

Hidalgo County: In Edinburg a family of 5 were victims of carbon monoxide due to a generator used in the house. Hidalgo County will be disseminating information on how to use generators. The DDC has requested the Tactical Marine Unit (TMU) to conduct aerial reconnaissance in Mission, North Edinburg, Edcouch-Elsa, and Weslaco. TMU is currently operating a UAS platform in La Feria. De-watering operations continue and State pumps will supplement the current operation. 5 pumps are en-route to the County.

Willacy County: Progress is being made in restoring power, with restoring estimates ranging from late Tuesday to Thursday. Communication is intermittent due to AT&T towers out of order. Most of the roads are clear and the County is working on the remaining road issues. A Point of Distribution (POD) is schedule to open in the next few days to distribute water & ice. City of Port Mansfield has requested water, ice and 190-gallon fuel truck. A boil water notice has been issued for the cities of San Perlita and Willamar.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management (TDEM), Texas A&M University System (TAMUS): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as disseminating severe weather messages, preparing Snapshots and the State SITREP. The State Management Team (SMT) continues conducting operations in the alternate State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners to assist with unmet needs and resources.

TDEM Communications Coordination Group (CCG): The TDEM CCG is actively monitoring communications systems in the affected region and coordinating for the needed support where it's needed.

TDEM Disaster Recovery Task Force (DRTF): The TDEM Disaster Recovery Task Force has three members who deployed to DDC-21 Weslaco to assist with damage assessments, volunteer and donations management, and Long Term Recovery Group engagement.

Texas A&M Engineering Extension Service (TEEX) Texas Task Force – One (TX-TF1): TX-TF1 ESF-9 Operations is located at the SOC and is staffed for 24-hour operations at Level III. All TX-TF1 Urban Search and Rescue (US&R) resources are staged and standing by for response.

- Texas A&M Task Force 1 (TX-TF1) Swift Water Rescue (SWR) Boat teams, rescued 3 people (80 year old male, elderly female, and a 47 year old male) from their sail boat at the marina located at 1400 Ocean Drive, Corpus Christi.
- Deployed TX-TF1 Search and Rescue Resources are staged and ready to respond. 6-TX-TF1 SWR Boat Squads on standby locations with 2-SWR Managers
- 1 – TX-TF1 US&R Type 1 (w/6 water boats, w/1 HPV, Type 1 Equipment Cache).
- 6 - TX-TF1 SWR Boat Squads with 5- TX-DOT HPVs (10 TX-DOT Personnel) in coordination have evacuated 160 people and 16 pets, and checked on 3 shelter in place within Hidalgo County. Evacuees were taken to a collection point managed by AHJ, then bussed to shelters July 26.
- A Federal Medical Station (FMS) arrived at McAllen and was set up by TX-TF1 members to be used as a Texas Medical Station (TMS).
- TX-TF1 assisted in helping to gather damage assessments.

Texas A&M Forest Service (TFS): TFS currently has 14 personnel committed to Hurricane Hanna Response and is providing planning and logistical support to the Texas Division of Emergency Management. Response activities include Situation Reports, STAR Processing, and Resource Tracking of pumps and generators

Texas Commission on Environmental Quality (TCEQ): TCEQ staff continue to contact public drinking water systems (PWS) and wastewater treatment facilities that are located in the impacted areas. As contact is made with these systems, TCEQ will provide operational assistance as required. Currently, 6 drinking water and 12 wastewater systems continue to operate on generators in the Cameron, Hidalgo, Willacy and Starr Counties. The following systems have reported issues:

Public Drinking Water Systems (PWS):

- Port Mansfield PWS is operating on a generator with no operational issues.
- City of Rio Hondo, and the City of Harlingen reported that their public water system are operating on generators.
- Sharyland Water Supply Corporation's (WSC) three plants were damaged and are currently operating on generators. TCEQ is currently working with TDEM to provide assistance.
- Sebastian Municipal Utilities District (MUD) and North Alamo WSC (Lasara Plant) are operating on a generator and will issue a Boil Water Notice due to low pressure.
- Zapata County Water Works (San Ygnacio Plant) had a line break. The break was repaired and service to customers has been restored.

Wastewater treatment facilities (WWTF)

- Port Mansfield, City of Santa Rosa, Hidalgo County MUD 1, City of Edinburg, City of La Villa, City of Palm Valley, North Alamo WSC, La Sara WWTP, City of Penitas, City of San Juan, Military Highway WSC (Joines Road), City of Donna, and City of Los Fresnos were reported to be operating on generators.
- Operators at City of La Joya WWTF indicate pond system is flooded with approximately three feet of water and are securing pumps to pump out flood waters from plant.

TCEQ Harlingen Regional Office contacted all Type 1 landfills in the region. All landfills reported no issues and normal operations were not affected.

Staff are also available to provide guidance on debris management and available to review and authorize temporary debris management sites, as needed.

The TCEQ Hurricane Hanna website is now live at
<https://www.tceq.texas.gov/response/hurricanes/hanna>

Texas Department of Public Safety (DPS): Texas Department of Public Safety Aviation has rostered and staged resources (helicopter with hoist capabilities) in Houston and San Antonio to respond to areas impacted by Tropical Storm Hanna. THP Tactical Marine Unit (TMU) has rostered and staged resources (shallow water boats, swift water boats) in Weslaco, Rockport, Port Lavaca to assist with water rescues. Dive Recovery Teams are staged across Texas for any emergency response. They have two hoist operators/rescue swimmers on call to deploy with DPS Aircraft when mobilized. DPS personnel in South Texas Region patrolling area of responsibility monitoring storm and standby ready to respond.

Mission Information and Details

- DRT has six boats staged across central and east Texas with dive team members and are on standby to deploy in response to Tropical Storm Hanna.
- DPS Tactical Marine Unit (TMU) and the Dive Recovery Team (DRT) conducted reconnaissance and drone operations in the RGV area in response to Tropical Storm Hanna.
- DPS Aviation 107 in response to Hurricane Hanna conducted an aerial reconnaissance flight in the following areas: Corpus Christi, Kingsville, Port Mansfield, Raymondville, Harlingen, Mid Valley and Mission.
- [At the request of DDC-21, DPS Tactical Marine Unit \(TMU\) staged in Weslaco conducted drone and aerial reconnaissance of impacted neighborhoods in the areas of Mission, North Edinburg, Edcouch-Elsa, and Weslaco.](#)

Texas Department of State Health Services (DSHS): DSHS has worked to get Alternate Care Sites established recently for COVID-19 response.

State-Operated Medical Shelters

- Freeman Coliseum (San Antonio)
- Hotel in Pharr, TX Ready to receive patients

Texas Emergency Medical Task Force (EMTF): EMTF has 4 severe weather packages on standby. A Severe Weather Package includes: [1] Task Force Leader; [1] Medical Incident Support Team; [1] AMBUS; [1] Ambulance Strike Team.

Texas Department of Transportation (TxDOT): TxDOT is monitoring roads for flooding, clearing debris, and making repairs as needed. TxDOT is prepared to assist with High Profile Vehicles. [TxDOT has a total of 41 roads affected by flooding with 13 of those roads closed. The 5 HPV teams in Laredo have been released per TX-TF1. TxDOT provided 190 gallons of unleaded fuel and trailer for Port Mansfield PD and 30 cones for the Willacy County POD site.](#)

Texas Health and Human Services Commission (HHSC): HHSC is reporting a power outage at a state run behavioral/mental health hospital in the Rio Grande Valley. COVID units at the

hospital do not have HVAC or Negative Pressure capability on generator. Hospital is on generator power with limited coverage. Crews are onsite trying to restore power.

Texas Military Department (TMD): TMD currently has 103 personnel and 25 vehicles in support of the July Tropical Weather Response. TMD is supporting DDC-20 and 21 with Military District Coordinators. TMD is supporting TX-TF1 with high profile vehicles. TMD is supporting the Rio Grande Valley with shelter teams.

Texas Parks and Wildlife (TPWD): TPWD continues to have resources consisting of Texas Game Wardens and State Parks Police Officers equipped with swift water boats, shallow water boats to support Cameron County and Hidalgo County with boat rescue and evacuation operations available in areas affected by Hurricane Hanna. A TPWD Unmanned Aircraft System (UAS) team is continuing to provide Drone footage of areas affected in Willacy, Cameron, and Nueces counties from Hurricane Hanna. The team includes 5 drone operators and 5 drones. The footage obtained is being sent to TDEM and DPS.

Mission Information and Details

- TPWD has rostered Texas Game Wardens and State Park Police Officers ahead of Hurricane Hanna's landfall and is prepared to respond to areas affected by Hurricane Hanna to support boat rescue operations as needed.
- TPWD is also prepared to respond to areas affected by Hurricane Hanna with a Helicopter equipped with a hoist and rescue swimmer to support
- TPWD LE continues manning its disaster district chairperson seat at DDC 21 Weslaco daily.

Outages and Estimated Times of Restoration (ETRs)

Corpus Christi District

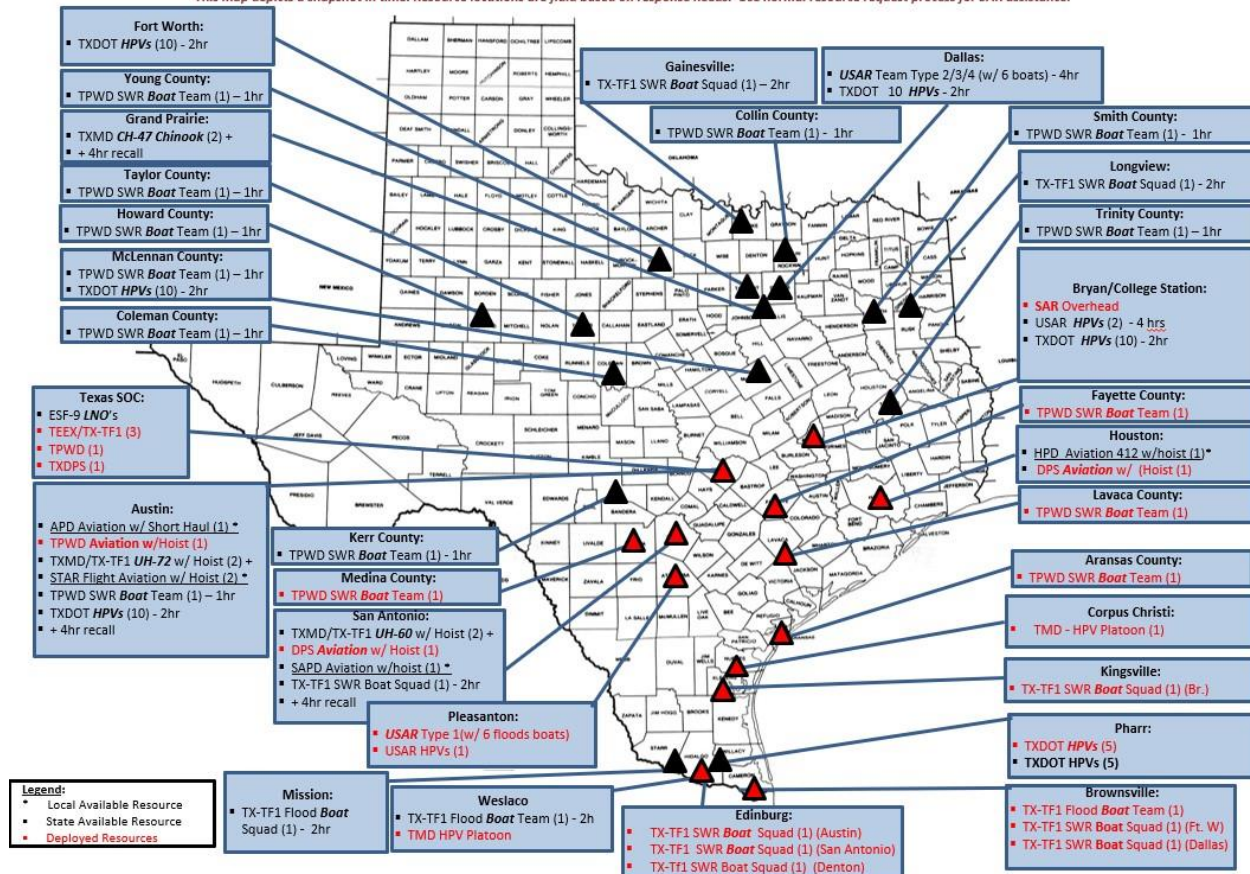

- ETR is Wednesday, July 29, 10pm
- Aransas Pass – 95% 10PM Tuesday July 28
- Corpus Christi Southside - 95% 10PM Tuesday July 28
- Corpus Christi Northwest – 100% 10PM Tuesday July 28
- Kingsville – 100% 10PM Tuesday July 28
- Sinton – 100% 10PM Tuesday July 28
- Corpus Christi Midtown – 80% 10PM Tuesday July 28 & 95% 10PM Wednesday July 29

Rio Grande Valley District

- ETR is Sunday, August, 2nd, 10pm
- Edinburg- 95% 9 PM August 1
- Harlingen-95% 9 PM July 31
- McAllen-95% 9 PM July 31
- Mission - 95% 9 PM August 1
- Pharr-95% 9 PM July 31
- Port Isabel-95% 9 PM July 27
- RGC-95% 9 PM July 31
- San Benito- 95% 9 PM August 1
- Weslaco- 95% 9 PM August 2

SAR Resources 07-29-2020 0300 hours

This map depicts a snapshot in time. Resource locations are fluid based on response needs. Use normal resource request process for SAR assistance.

Texas Wing Civil Air Patrol (CAP): CAP has dispatched aircraft and crews from Texas, Oklahoma and Louisiana to conduct aerial photo reconnaissance missions of the damaged areas in South Texas from Hurricane Hanna.

Volunteer Organizations Active in Disaster (VOADs)

2-1-1: 2-1-1 is requesting partner agencies add all public-facing services and operations (feeding sites, hygiene kits, cleaning kits) to the 2-1-1 website or email Melissa.Korpi@hsc.state.tx.us (Interim Disaster Coordinator for 2-1-1)

American Red Cross (ARC)

- Overnight populations: (4) shelters open
- One congregate shelter in La Feria Texas (population: 17)
- Non-congregate shelters: Corpus Christie (Population 1), San Antonio – reception center overflow (population: 2) and Weslaco (population: 40)
- Focusing volunteers on mass care needs and utilizing the disaster survivor information collected through TDEM

Coastal Bend VOAD: Still waiting for damage assessment information.

Crisis Clean-up: Currently on stand-by and waiting for a local request to establish an incident online / survivor hotline phone number

Feeding Texas: The following 3 Members of Feeding Texas are responding to Hurricane Hanna:

Coastal Bend Food Bank

- Coastal Bend Food Bank is fine. All agencies are operational. Most of the damage was in the Kennedy, Kleberg and Brooks counties but the EOC's in those counties are not requesting any assistance at this time.
- Operations are normal, pantries are open in all areas.

Food Bank of the Rio Grande Valley: Electricity has been restored to FBRGV. No food was lost.

South Texas Food Bank

- South Texas Food Bank is assisting Starr County officials and VOAD. Watching for more flooding in the area and coordinating with their local VOAD to assist in operations.
- Coordinating with the County Judge to provide food water and volunteers where needed.

Houston Community ToolBank: The Houston Community ToolBank is on standby and ready to support any organization who needs tools for muck and gutting, debris removal or any other efforts in response to Hurricane Hanna. We are lending tools for free. Here is a link to our inventory: www.houstontoolbank.org. We also have utility trailers, dump trailers and enclosed trailers available for free. Muck-Out kits and hand-washing stations are available in addition to standard resources.

Church of Jesus Christ of Latter Day Saints (LDS)

- Assessing needs and exploring the need for clean-up crews in the RGV
- Requested information on volunteer safety regulations regarding response during COVID-19

Lutheran Church (LCMS) – Texas District

- Teams in Harlingen
- 1-2 pallets of cleaning supplies

Southern Baptist Disaster Relief (SBDR)

- 2 quick response feeding units in Hidalgo and Mission
- Shower/Laundry units and recovery teams are on standby
- Toll free number for survivors needing help with chainsaw or mud-out: 855.728.2374.
- 261 Meals Prepared, 90 Hours (Volunteer)

Society of St. Vincent de Paul: SVDPS USA is monitoring the situation in the Rio Grande Valley.

United Methodist Church – Rio Texas Conference

- 700 flood buckets delivered to First UMC in Mission, TX
- UMC has minimal tarps, 300 flood buckets, and 2 generators available for VOAD member partners

The Salvation Army (TSA): Coordination calls with local, state, and federal partners to include VOAD partner agencies have commenced. The Salvation Army State Operations Center Liaison will be supporting virtually. The Salvation Army continues to engage and coordinate with local and state Emergency Management and other partner agencies providing food and hydration in the affected areas. [To date: meals served-2,712, snacks & drinks-2,063.](#)

Mission Information and Details

- Service delivery link:
<https://app.usfleettracking.com/view/8E9Ef9g2jLKqbAXTBwhskiHs4sV7FCQkztJHKI7kaAn2Rgs?mobile=false>
- The Salvation Army is currently providing food and hydration at these locations: Corpus Christi, Laguna Vista, Sullivan City, Port Mansfield, McAllen, and Flour Bluff
- Food service is pending for the North Beach area (Nueces County) until the water recedes
- The San Antonio Canteen has been reassigned to Corpus Christi as services were not needed in Kingsville.
- 1 Semi-load of bulk items (Snacks, Bleach, Tarps, Trash Bags, and Clean up kits) will arrive in McAllen Tuesday for distribution.
- 2 Canteens (Laredo and Bryan) are on standby until further assessments are done
- [In partnership with the American Red Cross the TSA is providing meals for 2 shelters.](#)
- [The Salvation Army is currently providing food and hydration at these locations:](#)

Unit	Locations	Address
Austin	Sullivan City Fire Department	500 Cenizo Dr. Sullivan City
Kerrville	Palm View Greggs Ballroom	434 W. Expway 83 Mission
Victoria	Port Mansfield Comm Center	101 E. Port Dr. Port Mansfield
Victoria	San Perlita Community Center	14085 FM 2209 Raymondville
San Antonio	Sebastian Fire Station	Bus 77 & Main Street
San Antonio	Lyford Fire Station	8124 US 77 Bus Lyford
Drop-off	Palm Aire Hotel (ARC)	415 S. International Blvd. Weslaco
Drop-off	La Feria Dome (ARC)	1700 S. Main St. La Feria
McAllen	McAllen TSA	1600 N. 23rd

If you sustained damage, to your home or business, as a result of Hurricane Hanna, please utilize the link below to submit a damage survey. Within the survey, disaster survivors will have the opportunity request assistance from VOAD's. This information, will facilitate us requesting additional resources and volunteers into the area affected. <https://arcg.is/0C8GSj>

FINAL COMMENTS: The State Operations Center (SOC) is at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at: <https://tdem.texas.gov/situation-reports/>
